THE GOSPEL WIZ | SPONSORSHIP OVERVIEW

An original work in development

The Gospel Wiz is Dream Real Theatre Company's planned faith-rooted stage work. The project is being developed for a future production; performance dates, venue, cast, and final budget have not been confirmed.

Sponsor conversations are open now.

Your support can help turn development into paid creative work, rehearsals, production design, access, and a community presentation.

WHY PARTNER WITH DREAM REAL

Our work reaches beyond one stage.

Dream Real is a Chicago 501(c)(3) nonprofit creating original theatre, artist opportunities, youth learning, and community connection. Past productions include My Momma's Era: The Musical, Meet the Oldschools, and One's a Headache, Two's Company but Three's a Crowd.

What sponsorship can make possible

- Script development, table reading, and creative workshops
- Paid performers, musicians, designers, technicians, and stage management
- Rehearsal and performance space; sets, costumes, sound, and projection
- Youth access, outreach, transportation, and community engagement

These are planned uses. A final production scope, budget, dates, and recognition plan will be agreed with each sponsor before funds are committed.
